

December 2015

Thank you, Byggverksamhet 25p AB for your contribution to Carbon offsetting. Your **100** trees have been carefully planted at GPS location: **S 11.84.384 E 034.16.004**

Not only will your trees sequester **20,000** kg of Carbon from the atmosphere over ten years, but they will also provide Malawian communities with food, medicine, fuel, shade, and income generating activities for years to come.
