Thank you, **Byggverksamhet AB** for your contribution to Carbon offsetting. Your **100** trees have been carefully planted at GPS location: **S 11.86.415 E 34.16.823**

Not only will your trees sequester **20000** kg of Carbon from the atmosphere over ten years, but they will also provide Malawian communities with food, medicine, fuel, shade, and income generating activities for years to come.

A handwritten signature in black ink, appearing to read 'Master Banda', is written over a horizontal line.
